B7	10' 1"	41"	33"	
B8	10' 1"	41"	33"	<p>The sketch shows a floor plan for 'End Unit - B8'. It is a rectangular unit with a total width of 41 feet and a total height of 16 feet. The bottom and right sides are solid black lines. The top and left sides are dashed black lines. A vertical dimension line on the right side indicates a height of 16 feet. A horizontal dimension line at the bottom indicates a width of 41 feet. A vertical dimension line at the top right indicates a height of 17 feet, which extends above the main 16-foot height of the unit.</p>

I1	11'4"	40'	30'9"	<p>A floor plan diagram of a rectangular room. The room is oriented horizontally. The total width of the room is indicated by a vertical dimension line on the right side, labeled '20''. The room contains two vertical dashed lines representing columns. The distance between the inner edges of these two columns is indicated by a horizontal dimension line below them, labeled '23'6''.</p>
