

NOMINATE A ROAD THAT NEEDS LITTER CLEANED: With leadership and funding from the Berkeley County Council, cooperation from several local agencies and Apple Valley Waste, there is once again a roadside litter pickup program using community service workers in the County. If you see these crews on the roads, please slow down as you negotiate around their vehicles. Additionally, the Berkeley County Solid Waste Authority, with two years of funding support from the WV-DEP, will soon have people in the local waterways removing litter as well. These efforts are in addition to the hundreds of volunteers with the Adopt-A-Highway (AAH) program and the local watershed groups that work daily to keep the roads and creeks clean. These volunteers can participate in the 2018 AAH Challenge and win up to \$500.00 for their efforts. If you would like to learn more about the AAH Challenge or nominate a road for community service cleanup, please contact the BCSWA.
