REF: RFP on Bullet Proof Vest

Dear Ms. Snavely,

We have gone through the 3 Bids that you have given us. This is the finding that we have come upon.

Bid 1: Kiesler Police Supply **\$27,582.75**

(No breakdown provided price for one vest is \$672.75)

- IIIA1C1 does not meet requirements
- Information is inconclusive

Bid 2: PT Armor **\$36,248.00**

- (Breakdown included two vest carriers, \$7,380.00 is the price for the extra carrier for each Deputy and Animal Control)
- Price without extra carrier would be \$28,868.00, \$704.10 per vest. The highest bid)

Bid 3: Maryland Small Arm Range **\$23,370.00**

(\$390.00 for Panels and \$180.00 for Carriers totaling for one vest is \$570.00)

- Lighter panels and carriers, but panels meet NIJ Standards
- Sample supplied by Vender.

After reviewing all bids, it appears that Maryland Small Arms Range has the lowest bid and meets all the requirements of the RFP.

Is it possible for us to contact the company to meet with them to view a sample of the vest and its materials?

If you have any questions, please feel free in contacting me.

Respectfully,
