REVISION to Attachment "C"

ISSUED March 7, 2019

This Addendum is hereby made a part of the Contract Documents on the subject work as though originally included therein. The following clarifications, amendments, additions, deletions and/or modifications to the Specifications and Drawings change the original documents only in the manner and the extent stated. The bidder shall take care to coordinate modifications herein with all trades and disciplines related to the work.

Revision to Previous Specifications;

- **Area RAE Plus part number without Gamma: W01K-110102-056079-0001**
- **Without the Toughbook or PC**

AreaRAE Pro Rapid Deployment Kit

The Rapid Deployment Kit (RDK) Detector Package includes 4 versatile GPS-enabled AREAREAE Pro monitors, each with up to 7 sensors and RAEmets. With The RDK, you have everything you need to create a perimeter and set up a command station up to two miles from the site. It all fits into a military-grade protective case, which charges all the batteries during storage. The wireless network can scale up to 64 monitors, and the host controller can push the data in real time to any location via an Internet connection, for situational awareness in minutes.

RDK Detector Kit Includes:

- 1 Pelican case with precut foam, embedded charging systems for 4 AreaRAE and lead organizer for Accessories storage/ transportation equipped with:
- 4 AREAREAE Pro monitors with sensors, battery and wireless options as specified, and protective rubber boot and filter(s) installed
- Power Adapter, AC/DC, 90-264 V Input, 12 VDC/7.5 A 90 W Output
- 4 External Battery Chargers
- 4 additional rechargeable Batteries
