Re: Request for Proposals – Two (2) Full Size SUV's Law Enforcement

The Berkeley County Council would like to thank you for submitting your Request for Proposals for two (2) Full Size SUV's- Law Enforcement.

All of the proposals were received, read in open session on August 15, 2019, and reviewed. However, the Berkeley County Council at their meeting September 5, 2019 decided to rescind the RFP for two (2) Full Size SUV's Law Enforcement due to miscommunication on the detailed specifications by the County Council office.

We appreciate the time expended on preparing this Request for Proposal. Please see attached revised Request for Proposal, for your records.

Sincerely,

Alan J. Davis
